5. Discussion of Community Development Block Grant (CDBG PY'24) Funds

Resolution 2024-03-06:

Notes: We put in for a grant through Saint Clair County to help improve the unincorporated State Park area. The roads are bad. Roger (Road Commissioner) and the Engineer help pick the streets out. We hired TWM to do the grant for us. They did the paperwork, the streets, and the budget. We are requesting \$92,000 of CDBG funding for the Arlington Ave resurfacing project. This will do Penn, Arlington, Eva and Paul street. We will put in approximately \$80,000. We will take \$40,000 from Road & Bridge and \$40,000 from General Funds from Canteen Township.
